FYI on the TDS Telecom construction work from 09/23/2022-11-15-2022.

Sally Sertich appeared and discussed winter plowing for Mocking bird Lane NW. This is not a township road. We advised her to talk to neighbors and possible find a local plowing business.

Paul Ottoson appeared and discussed boat parking in road easement. It is common courtesy to not hinder or block the public easement in any way as it could cause an accident or injury.

Discussed plowing and grading with Charlie Swenson. His cost is going up for plowing. The Board will wait and discuss snowplowing with Swenson's next month.

John Freeman will continue to look for someone to fix the roof on the township hall.
